Presents

The Six Mysteries of Christ

A lecture exploring the six major events in the life of Jesus of Nazareth and their implications to our daily lives. Each mystery represents a stepping stone or point of initiation in our lives.

October 25, 2017
7:30 PM.

Presented by Rev. Simeon Stefanidakis, this class will look at the six mysteries in the life of Christ:

- Birth
- Baptism
- Temptation
- Transfiguration
- Crucifixion
- Resurrection

We each experience these, in one form or another, during the journey of the soul. Some go through them in one lifetime, while others pass through them over several lifetimes. The class will end with a guided meditation.
