Rosh Hashana to Yom Kippur

To those of the Jewish faith, the Ten Days of Awe between Rosh Hashana and Yom Kippur are the most sacred time of the year. Like the Christian period of Lent, these ten days are a time of reflection and forgiveness. And like Lent, they should speak to people of all faiths.

This class, presented by Rev. Simeon, will look at the spiritual and esoteric significances of Rosh Hashana and Yom Kippur and how they apply to every day of everyone's life. Bring your heart and soul to this class and light a candle with us.
